

AIRBACK

A black tactical-style bag, possibly a messenger bag or a small backpack, is shown. It has multiple straps, buckles, and a handle. The bag is positioned centrally, and the text 'PRODUCT CATALOG 2024' is overlaid on it.

PRODUCT CATALOG 2024

THE BESTSELLER

Meet Airback, the first-of-its-kind travel backpack equipped with an innovative built-in compression system. Designed to serve the needs of globetrotters everywhere, Airback combines functionality with style, making it the perfect companion for any adventure. Its intuitive design allows travelers to maximize space while keeping belongings secure and organized. Crafted with durability and comfort in mind, Airback is not just a backpack—it's a revolution in travel gear!

THE ORIGINAL

Since its inception in 2023, Airback has set the standard for travel gear innovation. As the original creator of the first travel backpack with a built-in compression system, Airback began its journey with a clear vision: to transform how travelers pack and move. Through meticulous development and a commitment to excellence, Airback has not only introduced a groundbreaking product but has also redefined convenience and efficiency in travel. Embracing a blend of cutting-edge design and practical functionality, Airback continues to lead and inspire in the travel gear industry.

A man with brown hair and a beard, wearing a dark grey polo shirt and light grey trousers, is walking on a paved surface. He is smiling and looking back over his shoulder. He is pulling a large, black, rectangular backpack with a trolley handle. The backpack has multiple straps and buckles. The background is a dark, modern building with large glass windows.

FOR LONGER JOURNEYS

Introducing the Airback MAX, the groundbreaking backpack and trolley hybrid with a state-of-the-art built-in compression system. Engineered to meet the demands of today's adventurers, Airback MAX merges superior functionality with modern aesthetics, making it the ideal partner for any journey. Whether you carry it as a backpack or roll it as a trolley, its smart design empowers travelers to optimize packing space while keeping essentials secure and well-organized. Built with a focus on durability and comfort, Airback MAX isn't just travel gear—it's a revolution in how you move!
