KAZAM™ 45L BACKPACK - 2151261

2151261-087
Gamma Grey

MERKMALE

- Nylon/Polyethylene ripstop shell fabric is lightweight and waterproof
- Gait Keeper™ Hip Belt Design maximizes load carry efficiency and comfort
- Patented GiddyUp™ Compression System is fully modular and can be used to compress the pack while it's on your back
- Vest-style shoulder straps with dual drop-in pockets, secure zip pockets, and sternum straps with daisy chain webbing for strap adjustment

- Dual-density foam backpanel and shoulder straps with mesh overlay improve airflow and dry quickly
- V-shaped aluminum frame attaches to hipbelt at center back, distributing weight naturally to your lower body
- Large front stash pocket for additional gear storage
- Large side water bottle pockets with side access can fit tent poles, additional layers, and sleeping pads
- Internal hydration sleeve and port for reservoirs
- Roll top entry for easy access and weather protection
- Load lifters for load carry adjustment

- Minimum trail weight = pack weight without top lid
- Trekking pole loops with top cord keeper
- Dual vertical daisy chains

STOFFE

- Körper : 105D Nylon Ripstop 200D Polyethylene 150D Polyester Blend 10000mm TPU 88% Nylon 8% Polyethylene 4% Polyester
- Futter : 100D Nylon Ripstop 2000mm PU, C0 100% Nylon

Bright Olive

2083101-318
Aqua Green

2083101-339
Wet Stone

MERKMALE

- 210D high-tenacity CORDURA® ripstop shell is lightweight yet super durable
- Patent-pending GiddyUp™ Compression System can be used in motion to compress load while on your back and for added gear storage
- Ripstop monomesh shoulder straps with drop-in and zippered pocketing
- Two removable sternum straps with SR buckles on shoulder straps, secured by daisy chain webbing
- Side compression straps with SR buckles

- Webbing tool loop to lash external gear like trekking poles
- Side water bottle pockets made with durable shell fabric
- Compression-molded, dual density back panel and wicking, stretch-woven shoulder straps engineered to carry loads in comfort
- Hydration reservoir compatible
- Hydration sleeve doubles as 16" laptop sleeve
- Reflectivity on shoulder straps, in elastic webbing, and in logo applications
- Rear grab handle along with top webbing loops for smooth zipper use

- Front shock cording system with hook attachments allow external gear lashing and compression in multiple orientations
- Front top zip pocket with internal stretch mesh to stow excess front shock cording
- Top rear zip stash pocket with key fob for quick and secure storage of small items
- Removable webbing hipbelt with SR buckle

STOFFE

- Körper : 210D CORDURA® High-Tenacity Nylon Ripstop 100% Nylon
- Futter : 70D Nylon Ripstop 1000mm PU, WR C0 100% Nylon

UL™ 20 BACKPACK - 2110161

2110161-004
Dark Storm

MERKMALE

- 210D high-tenacity CORDURA® ripstop shell and 500D CORDURA® base are lightweight yet super durable
- Lightweight design packs down small and stows in pocket
- Versatile center strap covers drawstring closure for weather resistance, compresses load and secures overloads like a climbing rope

- Adjustable side bottle pockets made from 200D recycled ripstop nylon for improved durability over traditional mesh pockets
- Breathable air mesh shoulder straps
- Secure zip front stash pocket
- Sternum strap with safety whistle
- Front and rear grab handles
- Quickdraw opening main compartment
- Reflective accents on shoulder straps and front panel

- This product contains undyed materials. Undyed fabrics, under rare occasions, may undergo light yellowing, and/or take on color from other parts of the pack. Please note this while you are purchasing and adventuring.

STOFFE

- Körper : 210D CORDURA® High-Tenacity Nylon Ripstop 100% Nylon
- Futter : 70D Nylon Ripstop 1000mm PU, WR C0 100% Nylon
